Working with Felix - becoming a member of the ICCP Club

Felix enjoys working in interdisciplinary teams on multiple topics and projects. He jokingly calls the group of persons he works with the ICCP Club (*International Club of cool People / Club der coolen Leute*). Students interested to work with Felix in one of his research projects or on some other fun projects during one of the upcoming semesters, are invited to reach out to him via email, Mattermost, or in person during his [open office hours](#).
